World Premiere in Spring 2022

OnTheWayDance. To search for the moment of stillness in the dance, and in that stillness capture the moment of possible movement.

onthewayson.com/project/movement-research/

This movement research explores, develops and builds a movement language that is unique to everyone's body, guided by the "Qi" from Taoist scriptures, the Liquid Body and 5 Rhythms.

Workshop conducted in China, U.K., Finland, Sweden, Taiwan, Australia, Indonesia, etc
